The Bruce Mines and District Chamber of Commerce 'Member of the Month' for February 2024 is Copper Town Treasures.

Copper Town Treasures sits right in the heart of downtown Bruce Mines and is owned and operated by Shane Rock.

Stepping through the front door is taking a step back in time.

This is a quaint Antiques Store with all sorts of treasures for you to explore, purchase and enjoy. Collectibles, china, giftware, silver, copper, coins, furniture, CDs, books, kitchenware – the list is endless!

Bring your old treasures and valuables for an opportunity to sell or trade – Shane will give you a fair price.

Follow Copper Town Treasures on Facebook to ensure that you are kept up to date with frequent new stock items and special events.

Also, watch out for updates on Shane's famous "Toonie Sales" where, as you guess, all items on display are priced no more than a toonie!

In addition to Copper Town Treasures, you'll find the local laundromat facilities in the other side of the building.
