The Bruce Mines and District Chamber of Commerce 'Member of the Month' for January 2024 are Kate and Rob, proprietors of **Staying by the Lakeside Cottages**.

Rob & Kate purchased the former *Three Oak Tourist Resort* and moved to Northern Ontario in November, 2020.

**Staying by the Lakeside Cottages** then opened for their first guests in June, 2021.

They offer six 4-season waterfront cottages, all with gorgeous views of the lake, islands, mountainous terrain, and spectacular sunsets!

The resort can be used as a home base while working or exploring in the area. It is also perfect for large family gatherings (up to 34 people) or intimate getaways. Pets welcome!

Newly renovated, the cottages feature all the comforts of home:

- 2 bedrooms (bed linens & towels included)
- fully equipped kitchen
- full bathroom, hydro, running water, heat & A/C
- WIFI
- Firestick TV (cottages 3, 4 & 5 only)

Outdoor features include:

- propane BBQ
- firepit
- picnic table
- patio chairs
- parking for two vehicles with extra space for boats, snowmobiles, ATVs & their trailers.

Bring your own boat and moor at the shared dock, or rent one of their canoes, kayaks, pedal boat or rowboat. Fishermen & women will enjoy the screened fish hut (with running water and hydro) for cleaning their catch.

Kids & pets will enjoy the sandy-bottomed, warm and shallow water by the dock, and playing in the wide-open 2+ acre yard.

Enjoy all your favourite outdoor activities right here or nearby: fishing, kayaking, canoeing, swimming, hiking, hunting, ice fishing, snowshoeing, snowmobiling, campfires, stargazing and so much more!

Year round, you can expect a peaceful retreat in a clean and comfortable cottage, surrounded by beautiful scenery and nature, where you can rejuvenate, regroup and just relax.
