

Member of the Month

The Bruce Mines and District Chamber of Commerce 'Member of the Month' for November 2023 is Fred Edwards and North Shore Insurance Brokers.

North Shore Insurance Brokers, managed by Fred Edwards, is the area's newest Insurance Brokerage for Personal, Farm and Commercial Insurance.

Fred is a resident of Bruce Mines and has been insuring homes, cottages and farms all along the North Shore for nearly 20 years.

Fred tells us that North Shore Insurance sees opportunity for growth and success in Northern Ontario – believing in the future of this area.

As a broker, they can obtain quotes from a large number of Insurance Companies, both multi nationals alongside local companies. Cover is available for all types of motor vehicles, summer and winter toys, home and tenant insurance.

As Fred is also the manager of Sudbury Insurance Brokers, you will find him in the Bruce Mines office at least 2 business days each week. He is also available for appointments on weekends, including for existing client WETT certification.

Open Monday to Friday, and if Fred is not in the office, customers will find his wife Diane at the service desk. Diane is also a fully licensed broker.

Fred encourages everyone - if you are seriously shopping for a new policy, or just believe in dealing local, to give North Shore Insurance Brokers a call on 705-785-3704 or drop in Monday to Friday.

Fred and Diane look forward to dealing with you.
