

## Member of the Month – September 2023

The Bruce Mines and District Chamber of Commerce 'Member of the Month' for September 2023 is Penokean Hills Farms.

Penokean Hills Farms (est. in 2005) is made up of a group of Algoma farmers who want to preserve their way of life better by offering a premium product that consumers could purchase directly from area farms.

Penokean Hills Farms have a product that's unlike anything else. From factors, such as cattle being free to roam the Northern Ontario fields and hills as they wish, to being raised naturally on pasture and an award winning 'field pea finishing diet' with NO added hormones or unnecessary antibiotics of any kind, this provides excellent marbling and unique taste.

The Penokean Hills Farm complex (from start to finish) can be found on Hwy 17, just east of Bruce Mines. The Butcher shop is open Monday to Saturday and sells a variety of Penokean meat products and provides additional support to local artisan food and gift offerings.

The Penokean Hills Farms products include cuts of beef, pork and chicken. With Chef Mac and the team's selection of European style sausages such as Bratwurst (Germany), Cumberland (UK), Merguez (Spain) and many others alongside old traditional favourites. The recent addition of a Smoker is producing their own Pastramis, hams and bacons and much more! Follow them on Facebook and Instagram to learn more about their products, plus weekly and special offers.

Visit Penokean Hills Farm shop at 9450 Highway 17E, Bruce Mines, P0R 1C0 or to find out more connect via [Facebook](#) or visit:
